

**APPLICATION:**

Degreasol is effective for removing grease and oil spots from concrete, glass, tiles and iron.

PACK SIZES:

Degreasol is available in 1L, 5L and 20L.

FEATURES:

A blended mixture of surfactants, hydrocarbons and Butyl Glycol.

Degreasol will attack oil stains from the inside. Penetrating the stain surface, it lifts the stain out to achieve the best result possible.

DIRECTIONS:

- Ensure area is completely dry before using.
- Spray or wipe concentrated product onto affected areas.
- Allow to soak and penetrate, with scrubbing for an improved result.
- Leave product on surface for approximately 10-15 minutes (ensuring not to let dry).
- Hose or water blast off.
